

RESUME

Kalyani Subhashchandra Shinkar

Mobile No.: +91 9545942053, 8275731894

Kalyanishinkar@gmail.com

Career Objective:

To be a successful professional in the Building Information Modeling industry and to work with challenging environment, opportunities and organizations where can explore my skills and contribute to its success as well as mine.

Summary

-
- Overall **2.8 years** experience in Application of **BIM construction**.
 - Overall **6 Month** experience in **Civil construction Site** for commercial building as well as residential building designs & estimation work, project planning & project management.
 - Currently working with “**Sanveo India**” as a **Senior Engineer** since **Oct-2019**.
 - Have knowledge of BIM construction(MEPF & Architure & structure, Estimation & coasting.
 - Performed BIM technical skilled specially for electrical system, including escalation of problems and incident identification with subsequent resolution.
 - Worked with **BIM modeling & Co-ordination** projects as per Markups / Design drawings / contract drawing received from clients for **architecture, structure & MEPF design**.
 - Worked with QA/QC team for refining and correction workflows for finalized shop drawing packages before sharing final packages to client.
 - Co-operating and communicating with other team members for efficient management work.
 - Proficiency in enhancing process operations and achieving the required quality level in the products.
 - Awarded and appreciated as “**Miss.Every ready**” in Sanveo India.
 - Awarded and appreciated as “**CiESA 2ND topper 2014-2015 & 2015-2016**” in PCCOE engineering college.
 - In 2013 internship from “**D-mart site, harsul Aurangabad**” for 15days duration.
 - In 2016 internship from “**TCG infrastructure, Hinjewadi Phase 2 Pune**” for 1month duration.
 - Coordinating the project activities and drawing specifications with the clients to ensure drawings are per the specifications of clients & Worked on scan to BIM point cloud projects for laser scanning modeling.

Professional Experience

A) Organization Name: “Sanveo India” Aurangabad.

1) Designation: Senior Engineer

Experience : 2 month (Oct 2019 to till date)

- Manage team for daily task & assisted teak to team for new updates & discuss same updates with onsite team.
- Worked as coordinator for MEPF system, **Architecture & structure** & Used Naviswork Manage to coordinate electrical services with other services.
- Worked on scan to **BIM point cloud projects** for laser scanning & learned same revit express tools.
- Worked on Fire fighting modeling as per design drawing & coordination as per MEP & Arch, Structure updates.
- Worked on Plumbing & Mechanical duct modeling as per design drawing & coordination as per MEP & Arch, Structure updates.
- Worked on Formula based visibility parameters family.

2) Designation: Associate Engineer

Experience: 1 year (Oct 2018 to Sep 2019)

- Worked with QA/QC team for refining and correction workflows for finalized shop drawing packages before sharing final packages to client.

1. QA & QC expert & worked for 6/7month all project QA/QC.

2. Shop drawing & modeling QA/QC

- Worked as Team leads for Model assessments & scrutiny
- Creation and validation for documentation for Project & Its execution.
- Project Setup, Template Management, Content development, Filter, Revit link cleanup.
- Worked as coordinator for MEPF system, **Architecture & structure** & Used Naviswork Manage to coordinate electrical services with other services.
- Worked on scan to **BIM point cloud projects** for laser scanning & learned same revit express tools.

3) Designation: Junior Engineer

Experience: 1year (Oct 2017 to Sep 2018)

- Worked with BIM modeling & Co-ordination for projects as per Markups/Design drawings / contract drawing received from clients for **architecture, structure & MEPF design.**
- Project Setup, Template Management, and Content development & Created Query/RFI documentations.
- Work as Team Lead & Assisted to team for project task as per delivery schedule Give Team training to employee.
- Detected Issues, Created View Points for issues (.xml), Viewpoint reports etc.
- Worked with BIM modeling & Co-ordination for projects as per Markups/Design drawings / contract drawing received from clients.
- Generated BOQ, Quantity Takeoff's etc.

4) Designation: Trainee Engineer

Experience: 6 Month (April 2017 to Sep 2017)

- Worked on basic Electrical BIM modeling & Co-ordination for projects as per Markups/Design drawings / contract.
- Worked on basic Plumbing, Mechanical & Fire frightening modeling as per Design drawings.
- Worked on basic family creation practice for Lighting fixtures, mechanical equipment modeling.
- Worked on basic **Architecture & Structure modeling for as per Design drawing.(for wall, floor, roof, door, window, steel beam, column & internal furniture modeling & worked on truss modeling & added gusset plate, & steel reinforcement etc)**
- Worked on Block creation as per layer arrangement in CAD for mechanical trade & set layer, assigned layer with respect to system.

5) Designation: Trainee Engineer-Building association of India-Pune center

Experience: 6 Month (Oct 2016 to March 2017)

- Worked as **Site** engineers, To provide technical advice about, plan, organize and supervise construction projects. To have more specific, technical knowledge, Project planning & estimations, costing management than **site** managers.
- Established and implemented work schedules and adjusted them to meet project deadlines.
- Ensured all site personnel used quality workmanship in accordance with plans and client needs.
- Adjusted work schedules as needed in order to meet all project deadlines.
- Read blueprints and plans and communicated them to workers.
- Assigned to a newly acquired subsidiary as a senior engineer to provide project management, engineering, and safety support.
- Planned and coordinated project scheduling, budgeting and administrative tasks.
- Facilitated projects by conducting meetings, recording meeting minutes/actions items and performing follow-ups.
- Managed order tracking process and ensured orders were processed in accordance with the organization's customer service and operational standards to facilitate system data integrity and customers' invoices accuracy.

Education Qualification:

- **BE** in Civil Engineering from Pimpri chinchwad college of engineering, Savitribai phule Pune University, Pune. (**77.93%** 1st class with distinction & year 2016)
- **Diploma** in Civil Engineering from Government polytechnic, Autonomous University, Aurangabad. (**76.94%** 1st class with distinction & year 2013)
- **SSC** From Shree Shrada mandir school, Aurangabad, SSC Board, Pune. (**80.55%** 1st class with distinction & year 2010)

Education Additional Qualification:

- Publish Internal paper for Performance of ‘**Copper slag and Foundry sand** as a partial replacement of **Fine aggregate in Concrete**’.(2Paper publish)
<http://ijsrd.com/Article.php?manuscript=IJSRDV4I11023>
- Publish Internal paper “**Effective Utilization of Copper Slag and Foundry Sand in Concrete**”
https://www.academia.edu/27583376/Effective_Utilization_of_Copper_Slag_and_Foundry_Sand_in_Concrete
- Certified by CAD –D center for “Stadd pro software acknowledgement”.
- Certified by Bentley university for “E-tab & Sap software acknowledgement”.
- Certified by CAD –D center for “Auto cad software acknowledgement”.
- Awarded & Appreciated for following prizes:
 1. 1st prize in “Concrete 2015” at GSMCOE
 2. 2nd prize in “Concrete Cube Casting 2015” at JSPM.
 3. 1st prize in “Civil Tech Quiz 2015” at GSMCOE.

Personal Particulars:

Full Name : Kalyani Subhashchandra Shinkar
Marital status : Unmarried
DOB : 15th Sep 1994.
Linguistic Abilities : English, Hindi, Marathi.
Address : RH.25 deven moti swroop residency, near railway station, Aurangabad.
